

### REMARKS

In accordance with the foregoing, claims 2, 5, 8, 11-14 have been amended, and claims 1, 7, 10, and 19-21 have been canceled, without prejudice or disclaimer.

Claims 2 and 4-6, 8-9, 11-18, and 22-23 are pending and under consideration.

Claim 4 has been allowed. Accordingly, claims 2 and 5 have been amended to depend from allowed claim 4, and claim 7 has been amended to depend from further allowed claim 22, which also depends from claim 4. Here, it is noted that claim 2 has been further amended to remove the term "recorded", which was added in the previous amendment to claim 2 to correspond to the corresponding amendment to claim 1, now canceled. Since claim 4 did not include this "recorded" term, we removed the same from claim 2, to avoid any potential §112 issues.

Similarly, claim 13 has been indicated as including allowable subject matter. Accordingly, claim 13 has been amended into independent form. Claims 11-12 and 14 have also been amended to now depend from allowable claim 13. Here, it is further noted that claim the "recording" process of claim 10, incorporated into claim 13, has also been briefly amended to "recording to", to more similarly conform with allowed claim 4. Claims 19-21 have been canceled to further prosecution.

With the above amendments to the pending claims, all pending independent claims have been indicated allowable in the outstanding Office Action. Accordingly, entry and consideration of the allowability of the pending claims is respectfully requested.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.
